Participants are invited to assemble between 9.30am and 9:45 for coffee/tea before the first workshop session which will begin at 10.00 am prompt. We propose a break for lunch between 1.00 and 2.00 pm and tea/coffee breaks mid-morning and mid-afternoon. The afternoon workshop will close at 4.30 pm. All musicians are then invited to reassemble after tea to play for the dance starting at 5.30.

You will need to read music or to have some experience of playing for folk dancing. The music will be sent out well in advance. If you learn by ear and would like the tunes to be sent to you in MIDI format please request this on your booking form. You may also wish to bring a small tape-recorder.

Please bring a packed lunch for yourself, as unfortunately we are unable to provide a cooked lunch this year. If demand dictates and facilities allow, we may be able to include catering for future events.

A tea of sandwiches and cake will be provided for the musicians between the end of the workshop and the start of the dance. Musicians will not be expected to provide food for the pre dance tea, but food contributions will not be refused!

It would help us to receive early applications. We will be willing to make a refund for any cancellation due to unforeseen problems, provided that we receive notice by 1st May 2026.

Music will be sent to you as an email attachment, some time in March all being well. If you don't have a broadband connection and the latest version of Adobe Acrobat Reader, a hard copy can be posted to you at a cost of £5.00. Please mark the form accordingly.

If the event is over-subscribed, applications will be accepted in the order received, late applications will go on a waiting list.
